

2017 PERTH EAST YOUTH STRATEGY

YOU'RE INVITED:

Perth4Youth Community Engagement Sessions

Perth4Youth is an opportunity for residents of Perth East to work together on a strategy to engage, attract and retain youth. This initiative will identify and address the issues and opportunities that affect our local youth (15-29 years) and the future of our community.

We are seeking representation of local community stakeholders from business, recreation, education and of course youth to come and share ideas and have a voice in building the vision and mission of our strategy. This will be the first of 4 meetings at various locations within the township. Your input is encouraged and appreciated.

Meeting Dates:

Jan 31- PERC Milverton 6-9pm

Mar 1- Shakespeare Hall 6-9pm
